3. Application & Scope - Exclusions or Special Conditions

- 3.1 This policy applies to all Clubs seeking to acquire, maintain or make use of Club Sponsorships. This Policy will also guide Clubs & Sport Officers when making decisions regarding Club Sponsorships, in consultation with the Team Leader, Clubs & Sport.
- 3.2 This Policy does not apply to PAVE Groups or Leadership Groups. See the relevant handbooks for more information on these groups.
- 3.3 Student Life Staff have the authority to clarify, interpret or propose amendments to this Policy as necessary.

If a Sponsorship Application Form for each Sponsorship has been submitted before 31st March, 2017, this exemption will continue to apply to each Sponsorship until the corresponding Sponsorship Application Form has been either approved or denied by Student Life.

4. Policy Principles

- 4.1 All Sponsorships must be entered into in good faith, for the purpose of providing a better experience for Club Members.
- 4.2 All Sponsorships must be approved by Student Life before Benefits and Returns can be exchanged.

- 4.3 Only Club Committee Members and Student Life Staff may enter in to correspondence with current or prospective Sponsors, on behalf of a Club.
- 4.4 Benefits provided to a Club and Returns provided to a Sponsor must not conflict with the policies or values of Student Life or Swinburne University of Technology.

- 4.6 Breaches of this Policy by Clubs, Club Committees or Club Members may result in action as per Student Life Club Discipline & Dispute Resolution Policy.
- 4.7 Sponsorships must not give rise to a conflict of interest for Club Committee Members or Student Life Staff.
- 4.8 Student Life Staff must not directly benefit from any club Sponsorship.

5. Sponsorship Approval Process

- 5.1 Once a Club and a Sponsor have reached an agreement on the nature of a Sponsorship, the Sponsorship must be approved by Student Life. The Club Committee must submit a Club Sponsorship Application Form. Clubs may not receive a Benefit from, or provide a Return to, a Sponsor prior to receiving approval from Student Life.
- 5.2 The Club Sponsorship Application Form will require Sponsor contact information as well as details of the purpose of the Sponsorship and the nature of any Benefits and Returns to be exchanged. The Club Committee is responsible for ensuring that permission has been sought from the Sponsor for disclosure of any personal information.
- 5.3 Sponsorship Applications will be assessed by Student Life and either approved or denied based on the requirements laid out in this policy. Student Life may recommend that amendments be made to the Sponsorship Application to improve the likelihood of the Sponsorship being approved. In these cases, it will be the responsibility of the Club Committee to discuss these amendments with the Sponsor and seek approval, prior to amending and resubmitting the Club Sponsorship Application Form.
- 5.4 A decision made by Student Life to reject or amend a Sponsorship Application may be appealed according to the process laid out in Student Life Club Discipline & Dispute Resolution Policy.

6. Sponsored Events

- 6.1 Sponsor presence at a Sponsored Event must be approved by Student Life prior to the Event taking place. To obtain approval, the Club Committee is required to provide all requested sponsor-related information as part of filling out any Club Forms related to the event.
- 6.2 In some circumstances, Student Life may decide to withhold permission or set additional requirements on the Sponsor's participation in a Sponsored On-Campus event.
- 6.3 All Sponsor representatives attending an On-Campus Event count as Club Contractors, and must follow the requirements for Club Contractors set out in Student Life Club Governance & Management Policy.
- 6.4 All other requirements for Events laid out in Student Life Club Events & Activities Policy must be adhered to during a Sponsored Event.

See the requirements for Club Contractors in Student Life Club Governance & Management Policy.

Student Life may require a new Club Sponsorship Application Form to be submitted. Student Life may also require the exchange of Benefits and Returns between the Club and the Sponsor to be suspended while the new application is considered.
- 9.2 Sponsor representatives must not be invited on campus without prior permission from Student Life, pursuant to the Sponsored Events section of this policy.
