- Only currently enrolled Swinburne students can be founding members of an SSAA club or society.
- Only current Swinburne students who have joined the club online through UniOne website will be considered club members.
- Membership of clubs must be open to all currently enrolled Swinburne students. Should a Club Committee, by Resolution, decide to allow associate memberships, non-Swinburne individuals may be allowed to join. Please see page 13 & 14 on Associate membership rules and responsibilities.
- SSAA clubs must be democratic, not-for-profit student groups, run by Swinburne students and for the benefit of Swinburne students.
- Clubs must have a unique name and a clearly defined mission which must be substantially different from existing clubs and societies. Things to consider when determining “substantial difference:”
 - Types of events the club will hold.
 - The club’s prospective membership base.
 - The primary focus of the club’s aims.
 - Similar clubs registered with SSAA and how the club distinguishes itself from similar clubs.
 - The name and description of any SSAA affiliated club must reflect Swinburne values and not express hatred toward another group of peoples, or be perceived to be racist, sexist, homophobic, harassing, or exclusionary of any individual or group based on personal attributes.
- Clubs must consist at least 51% of current Swinburne Students at all times. Existing Sports Clubs, re-registering for 2017, will be exempt from this requirement until 30th June, 2017.
- SSAA clubs and their members must abide by all Swinburne and SSAA policy, as well as the Swinburne Behaviours and Values.

Steps to Registration

- New clubs may register from the period 1 Jan through the end of Higher Ed Term 1 and during the period between 1 July and the end of Higher Ed Term 3.
- Founding a Club requires a currently enrolled Swinburne Student to act as the Club Founder.
- The Club Founder needs to consider the nature of the proposed Club, and choose the most relevant Club Type. See Page 9 regarding classification of Club Types. The Club Founder should discuss with SSAA if unsure.
- The Club Founder must submit a New Club Expression of Interest Form (<https://unione.swin.edu.au/clubsadmin/clublist/create>) using the Clubs & Sport Software, *which is UniOne as of January 2017*. The Expression of Interest will be considered by SSAA and, if successful, the Club Founder will be notified in writing that their Club has received Provisional Approval. Clubs with Provisional Approval will receive access to a Club Portal on UniOne, where other currently enrolled Swinburne Students (or associate members, where applicable) can register to join the Club.
- The Club Founder can administer the Club Portal by going to <https://unione.swin.edu.au/clubs/search> , finding their club, clicking View Details -> Administration -> Settings.
- The Club Founder will need to create a Membership Group, and then recruit a minimum of Club 10 members to join online, via UniOne. Associate members are not counted in this initial 10-member-minimum requirement.

Membership Group Process:

Please click here for training video link- [Create a Membership Group](#)

1. On UniOne, create a membership group for the current year.
2. Ensure the group is a 'fixed' type.
3. Ensure the membership expires on 31 December of the current year.
4. Ensure Membership Code of Conduct is set as a required form.
5. If a membership fee applies to this group, ensure that the membership product has been created (see page 12 on how to do this) and set as a required purchase under 'restrictions.'
6. Ensure that, under 'Restrictions', 'Periodically re-verify purchase requirements' is checked.

- When a minimum of 10 Club members have joined your club through UniOne, hold an Inaugural General Meeting (IGM). At least 50% of the registered Club members or a minimum of thirty (30) registered Club members (whichever is less) must attend. Make sure someone takes minutes; a fillable PDF can be found on UniOne entitled 'General Meeting Minutes' (part of the New Club Registration requirements).
- Committee Members then need to submit the New Club Registration Form on UniOne.
- The President, Secretary and Treasurer must attend a Registration Meeting with a Clubs & Sport Officer. The Club Committee will be contacted via phone / email to set this up.
- Your registration will be finalized shortly after and base funding is transferred to your new SSAA Club account. If a Membership Fee was agreed to during the IGM, all Club Members must pay this fee via UniOne.

The purpose of the IGM is to:

- Formally adopt the club's name
- Formally adopt the club's description
- Elect the Club Committee (minimum of three to fill the roles of President, Secretary, and Treasurer). The Club Committee must decide, by Resolution, if there are to be any additional Club Committee Positions. For each such Resolution that passes, an Election must also be held for that position, at the IGM.
- Annual Membership Fee proposed. Talk to a Clubs & Sport Officer for advice on what might be an appropriate Membership Fee.
- Consider whether the Club will offer Associate Memberships.
- Complete the New Club Registration Paperwork.
- Ensure or organise Working With Children Checks for all Committee Members.

9. Under 'restrictions' ensure that only the following user types are checked:
 - 9.1 Current student Hawthorn

Existing Club Re-Registration

- Clubs must re-register each year if they wish to continue operating. In order to be eligible, a Club must have maintained a minimum of 10 current Swinburne students as Club Members, which excludes any Associate Members, over the last calendar year. In addition, the club must have held a minimum of two Club Events per academic semester and not under investigation for disciplinary issues.
- Each Club must re-register each year between the start of Higher-Ed Term 4 and 31 December, in order to continue operation into the next year. See the SSAA Clubs Calendar for specific dates.
- Clubs that do not complete their annual Re-Registration by the deadline, will be dissolved as per the Club Discipline & Dispute Resolution Policy.

Club Re-Registration Process

- To reregister, clubs will first have to follow the New Club Registration Process to create a Club Portal and, once approval has been received, create a Membership Group. Please note that clubs which have submitted their reregistration paperwork for 2017 prior to 13th Feb 2017 do not need to do this.
- In order to reregister, a Club is required to hold an Annual General Meeting (AGM). At least 50% of the currently registered club members or a minimum of thirty (30) registered club members (whichever is less) must attend.
- A written record of the minutes of the meeting are part of the New Club Registration requirements. The General Meeting Minutes form is a fillable PDF found on UniOne.

 - Quick link for Asset Register Form: [Asset Register Update Form](#)
 - Quick link for Club Treasury Records Form: [Club Treasury Records Form](#)

2017 registration deadline is 7 April.

- The President, Secretary and Treasurer must attend a (Re-) Registration Meeting with a Clubs & Sport Officer; they will be contacted via email or phone. Other Committee Members are welcome to join, but it is not a requirement.
- Your Registration will be finalized shortly after and base funding transferred to your existing SSAA Club account. The Club may now hold Club Events, request funding from the Club Account and apply for Grants.

Your Club is now up and running! Go forth and celebrate.
Make sure to keep in touch with your Clubs & Sport Officer to take advantage of opportunities to recruit new members, promote your events and secure additional funds.

Associate Members

- Clubs may, by Resolution, opt to offer Associate Memberships to non-Swinburne students. Conditions apply to Associate Members and to Clubs offering Associate Memberships. It is a Club's responsibility to ensure that prospective Associate Members are informed of these conditions before registering for Associate Membership.
- If a Club normally charges a Membership Fee, Associate Members are instead required to pay an Associate Membership Fee equal to whichever is the greater of \$10 AUD, 1.5x the Membership Fee or an amount determined by Resolution at a General Meeting.

Example:

When a Club chooses to have an Associate Member, the associate membership fee must be 1.5 times more than the standard membership, or \$10, whichever is the greater option.

IE. If the standard membership fee is \$5, 1.5 times more than that would be \$7.50, which is not greater than \$10. Therefore in this instance, the Associate Membership fee would be \$10.

- If a Club does not normally charge a Membership Fee, Associate Members are still subject to a \$10 AUD Associate Membership Fee. This money goes directly into the Club Account for Club use.
- Associate Membership Fees, like normal Club Membership fees, are payable only through UniOne.
- If a person, who is not a currently enrolled Swinburne Student, is found to have joined a Club and this person has avoided paying an Associate Membership fee when joining that Club, then that non-student will forfeit their Club Membership and any incorrect Club Membership Fees paid.
- Associate Members do not count as Club Members when determining Club Size and Base Funding.
- Associate Members do not count when determining event size for funding purposes. This may be waived in special circumstances at the discretion of SSAA.
- Associate Members are not eligible to hold positions on a Club Committee.
- Associate Members are not eligible to vote at General Meetings.
- Associate Members do not count towards whether or not a Quorum is present at General Meetings.
- Associate Members are not covered in any way under SSAA or Swinburne insurance policies. All Associate Members must sign a waiver indicating that they have been made aware of this as part of joining a Club. All clubs offering Associate Membership must hold their own adequate insurance policy. A copy of a valid and current policy must be provided to SSAA.

Membership Fee Product Process:

1. Create an Associate membership fee product in the UniOne Store.
 - 1.1 Ensure the product is a 'membership' type and set to 'fixed.'
 - 1.2 Ensure the membership expires on 31 December of the relevant year.
 - 1.3 Under 'restrictions' ensure that only the following user types are checked:
 - 1.3.1 Swinburne Alumni
 - 1.3.2 Swinburne Staff
 - 1.3.3 Other
 - 1.4 Select 'Periodically re-verify purchase requirements.'
 - 1.5 Ensure 'Hidden to Public?' box is checked.
 - 1.6 Ensure 'Unlisted' box is checked.

Club Committees

- All Club Committee members require a Working With Children Check. These are available, for free, online.

A voluntary WWCC is available online via:

<http://www.workingwithchildren.vic.gov.au/home/applications/apply+for+a+check/>

- Each club must have a President, Secretary and Treasurer - collectively described as the Club Committee. Each position on the Club Committee may only be filled by one individual. An individual may only hold one position on the club committee.

Example: A Club Member that is voted into the position of Treasurer, may not also hold the position of President or Secretary at the same time, in the same calendar year.

- Further roles may be added to the committee, (e.g. Vice President, Social Secretary, etc.) if the role is clearly defined, passed in a Resolution at General Meeting, proven to be necessary and approved by an SSAA Clubs & Sport Officer.
- Only currently enrolled Swinburne Students are eligible to serve on a Club Committee.
- Club Committee members must be elected through a democratic process by order of a General Meeting (GM), which all Club members must be invited to attend and vote at.
- All Committee Meetings must be minuted using the General Meeting Minutes form found on UniOne. Quick link: [General Meeting Minutes Form](#)
- Minutes must be uploaded to UniOne and made accessible to all members.
- If Club Founders are not elected into a Club Committee position, the Founder needs to be removed as an organiser on UniOne.
- Only a member of the Club Committee may make equipment or room bookings.

Club Responsibilities and Obligations

- The Club Committee is responsible for making decisions that affect the day-to-day operation of the Club. These decisions should be made at Committee Meetings. Club Committees are free to run Committee Meetings and make decisions using a process that best fits their needs, as long as the following requirements are met:
 - All Club Committee Members must be given at least one week's notice prior to a Committee Meeting taking place.
 - Decisions of a Club Committee must be made democratically through a Simple Majority voting process. Clubs are free to implement a vote collection method that best meets their needs.

Example: Voting collection methods can include: in person, UniOne, Facebook or via Email.

Merchandise Sales & Fundraising

- Clubs may offer merchandise for sale to Club Members. Club Merchandise must only be sold through UniOne.
- Where merchandise is to be purchased from a supplier, the following process must be followed:
 - The Club Committee must arrange for a supplier of specific merchandise and consult with SSAA to gain approval, providing a quote from the supplier with a unit price for each item of merchandise to be sold.
 - Once approval has been granted, the Club Committee must create the relevant items in the Club's Shop on UniOne, through which Club Members can order and pay.
 - All sales of merchandise must be available for purchase for a limited time, decided in advance, after which the items will be removed from the Club Shop.
 - If merchandise is to be sold at a loss, the sale must also be limited in quantity such that the cost of the sale can be covered by available funds in the Club Account.
- Once the sale has finished, SSAA will order the required amount of merchandise from the supplier. Where merchandise has been sold at a loss, required funds will be drawn from the Club Account.
- Once the merchandise has been ordered and paid for, the Club Committee must arrange for delivery. SSAA offices may be used for merchandise delivery.
- Once merchandise has been delivered, any profits from the sale will be placed in to the Club Account.

- Clubs are encouraged to raise funds from Club Members or the general public. Funds must be only obtained using UniOne.
 - An exemption applies in the event of small-scale fundraisers, such as gold coin donations at a Club-organised sausage sizzle. Contact SSAA to request approval at least two weeks prior to any such fundraising event.

If a Club wishes to hold any sort of game of chance as part of a fundraiser, such as a raffle or lucky dip, the Club Committee must be aware of the relevant regulations involved in conducting these activities in Victoria. For more information, see the website for the Victorian Commission for Gambling and Liquor Regulation.

Tickets

All ticket sales must occur through the Club Shop on UniOne. A Ticket Product must be created in the Club Shop before the relevant Forms are filled out and submitted. Tickets will be delivered to Club Members electronically.

Ticket Creation Process:

1. In UniOne, click on the drop down menu on the top left titled 'Module.' Then select 'Store.' Select 'Product,' then 'New'.
2. Fill out all of the required information.
3. In Advanced settings:
 - 'Sell Until' needs to match the date of the Event.
 - The 'Max Order Quantity' refers to the number of tickets a single individual can purchase, i.e. if the requirements are one ticket per person, or if one person can buy multiple tickets for their friends. Keep in mind that Events run for Club Members only, should probably require one per person, to avoid outside individuals attending the Event.
 - Select 'Ticket' under product type.
4. In the Images tab:
 - You can add an image to your Event, but due to copyright law, the images must belong to the Club, or a member of the Club, or must have been purchased (with proof of purchase) from a stock-image website.
5. Under The Restrictions tab:
 - **User Types** refer to whether the ticket is available to outside members of the public. These need to be deselected for Club Member only Events.
 - **Purchase requirements** – you could add purchase requirements under this tab, for example in order to buy this product students would have to buy the required products.
 - **Club requirements** refer to Club Member specific events. Club organisers need to select the Club that the ticket is meant for.
6. Click 'Submit' for a Clubs & Sport Officer to approve the ticket, along with all other required documentation.
7. Please note: **The ticket is not linked to the Event that it will be used for**, a link needs to be added to the Event description.

Using Tickets

- All tickets are allocated a number, which corresponds to the Clubs ticket sales for a specific product in the Club Store.
- These tickets can be printed out, or can be display on a mobile device. The barcode is currently not attached to a scanning facility.
- Click on the tickets tab (to the right of 'Notification Email,' click on the arrow to locate)

- Club Organisers should type the ticket number into the 'Scan a ticket' box and click the blue button. This way the same ticket cannot be used multiple times by different individuals and Clubs can track how many people purchased tickets vs. attended the Event.

Contractors

Club Contractors involved in Events are subject to the rules on Club Contractors laid out in the SSAA Club Governance & Management Policy and SSAA Club Membership Policy.

- All contractors require a Working With Children Check. This is available online and free for all volunteer contractors.

WWCC Link:

<http://www.workingwithchildren.vic.gov.au/home/applications/apply+for+a+check/>

- Club Contractors, for example club coaches must receive compensation only in the form of Australian Dollars and not by any other means (such as in-kind arrangements.) here is the process clubs are required to follow –
 - Club contractors (Coach) would give invoice to club
 - Club would submit Funds request form - <https://unione.swin.edu.au/Forms/3>
 - SSAA would either approve it or reject it. Club would receive a notification email.
 - If Funds Request approved, SSAA would transfer money in Club contractor's (e.g. coach) bank account.

- An exception applied in the case where Club Contractor services are received as a Benefit as part of a Sponsorship. You are required to complete Sponsorship form - <https://unione.swin.edu.au/Forms/7>

EXAMPLE: A club member who is a DJ could sponsor his service.

- Club Committee Members are not permitted to be Club Contractors, unless volunteering their services.
- Club Contractors must address invoices for services directly to the Club.

EXAMPLE: A committee member may not coach club members in a sport.

- All payment to Club Contractors must be made from the Club Account. Payment cannot come directly from Club Members.
- Club Contractors must negotiate contract terms with the Club Committee.
- Club Contractors must be appropriately qualified to provide services.
- Club Contractors must hold appropriate Insurance.

EXAMPLE: In the case of a coach, the contractor would require proof of current coaching qualifications, adequate Insurance and a valid Working With Children Check.

Please watch: unione.swin.edu.au/student_training for information on the process.

Assets & Asset Management

- Items usable more than once, which are not food or drink, and which are purchased with funds from the Club Account, are Club Assets.
- Club Assets must be treated with due care and not exposed to unnecessary risk of loss or damage.
- Club Assets that meet certain conditions, primarily based on purchase price, are Tracked Assets.
- All Tracked Assets must be recorded in the Club's Asset Register.
- Where a Tracked Asset is a set, the number of components of the set must be recorded in the Club's Asset Register.
- The Club Assets Register must be kept up to date.
- All electronic assets must be tested and tagged in compliance with AS/NZS 3760:2010.

- From time to time, SSAA may request to be shown one or more Tracked Assets. If these cannot be shown to SSAA within a reasonable timeframe and without a reasonable explanation, action may be taken as per SSAA Club Discipline & Dispute Resolution Policy.
- Any Tracked Assets that are lost or stolen must have a police report filed and a copy provided to SSAA as soon as possible after the loss/theft occurs. Failure to do so may result in the cost of replacing the Tracked Asset being deducted from the Club Account.
- Assets remain the property of the Club until the Club is Dissolved. Regardless of whether the dissolution is amicable or due to misconduct, the process of dissolution is described in SSAA Club Discipline & Dispute Resolution Policy.

Tracked Asset

Definition: Any Club Asset with a purchase price of equal to, or greater than \$30, or which forms part of a set with a combined cost of equal to, or greater than \$30.

Examples:

- A screwdriver that cost \$10 is not a Tracked Asset.
- Three screwdrivers, either purchased separately or together, which each cost \$10, would be considered a set and count as a Tracked Asset as the total cost is \$30.
- A screwdriver, a hammer and a spanner, each costing \$10, would be considered a set, and count as a tracked Asset, as the total cost is \$30.
- A DVD of Season 1 of a TV show, which cost \$5, is not a Tracked Asset.
- 6 DVDs of 6 Seasons of the same TV show, each costing \$5, would be considered a set, and count as a Tracked Asset as the total cost is \$30.
- 6 DVDs of 6 different TV shows, each costing \$5, would be considered a set (the Club's "DVD Collection"), and count as a Tracked Asset as the total cost is \$30.

Locker Hire

- SSAA has a limited amount of locker storage space available for Clubs to use.
- Each Semester, SSAA will open up applications for locker storage space. Once applications have closed, lockers will be issued on an as-needed basis, determined by SSAA. See the SSAA Clubs Calendar for more information.
- Clubs using an SSAA Locker will have an annual Locker Upkeep Fee deducted from their Club Account. The Locker Upkeep Fee will vary based on the size of the locker assigned to the Club. The Locker Upkeep Fee is charged pro-rata from the time the locker was assigned to the Club.
- Should a Club wish to discontinue use of an assigned locker, the Club Committee should contact SSAA once the locker has been emptied. A pro-rata refund of the Locker Upkeep Fee will be provided, paid to the Club Account, based on the number of days remaining in the calendar year. This refund is dependent on the condition of the locker when it is returned. Damage outside of normal wear-and-tear may have any associated repair costs deducted from any refund the Club may be eligible for. Excess repair costs may be deducted from the Club Account.
- Clubs are not permitted to store the following in SSAA Lockers:

- Any food, drink, or any other perishable items.
- Banknotes and coins.
- Lithium-ion batteries which are charged and/or not installed in a commercially-available device with which the batteries were obtained and/or with a capacity exceeding 99 Watt-hours.
- Combustible or explosive materials, liquids, or devices, including gas bottles and aerosol cans.
- Firearms, knives or any other dangerous or controlled weapon as defined under the Victorian Control of Weapons Act 1990 or the Firearms Act 1996.
- Any other item or substance which would be illegal for an average member of the public to possess under Victorian or Australian law.
- Personal items belonging to a Club Member, not for use by the Club.
- SSAA reserves the right to access lockers at any time and remove any items that violate the policies of SSAA or Swinburne. No compensation will be provided for items removed.
- Club Committee Members will be provided with the appropriate keys/combinations to access their Club's hired SSAA locker(s).
- Should a key to access a locker be lost, this must be reported to SSAA immediately. A lost key fee will be deducted from the Club Account.
- Club Committees may request that SSAA change the lock(s) on their Club's locker(s), with the cost of doing so being deducted from the Club Account.
- Clubs must not attach their own lock or any other security device to an SSAA locker. Any such devices will be removed without warning, with the cost of removal being deducted from the Club Account.
- Clubs are wholly responsible for the items stored in their assigned SSAA lockers. SSAA assumes no liability for loss or damage to any items stored in SSAA lockers.

The cost of repairing any damage caused to lockers, outside normal wear-and-tear, may be deducted from the Club Account.

Club Accounts

Each Club has its own Club Account from which it may request funding. This account is maintained by SSAA.

- Clubs are not permitted to maintain any independent bank account or any other monetary storage facility.
- Clubs must only receive money from Club Members through UniOne.
- An exemption to the previous point applies in the event of small-scale fundraisers, such as gold coin donations at a Club-organized sausage sizzle. Contact SSAA to request approval at least two weeks prior to any such fundraiser event.
 - All money obtained by the Club must be deposited in to the Club Account.
- Deposits can be made via EFTPOS or credit/debit card payment at SSAA Reception or over the phone. They can also be made via cheque. Talk to SSAA for instructions and transfer details.
- **SSAA does not accept cash.**
- Clubs must not accept any form of monetary payment other than Australian Dollars in a form payable into the Club Account. Prohibited methods of accepting payment/funds/compensation include but are not limited to:
 - Gift cards (Prepaid or reloadable)
 - Store credit
 - PayPal® or similar
 - Digital currencies or currency analogues, including cryptocurrencies such as Bitcoin
- Any sources of Club Funding outside SSAA must be immediately reported to SSAA and the funds deposited into the Club Account.

GST

- SSAA is subject to GST which in turn affects affiliated Clubs and their finances.
- When a Club generates income (e.g. memberships, member or sponsor payments), GST will be included in the total amount.

Examples: If a Club deposits \$110 into the SSAA club account, the club will show a gain of \$100. (\$100 will be shown in the Clubs account instead of \$110).
The \$10 GST component goes into a separate Swinburne account which is specifically for GST.

On the other hand, if a Club presents an invoice totaling \$110 for payment from a GST registered source, after GST is removed, the Club balance will show an actual deficit of \$100. In other words, only \$100 will be deducted from the Club account, the additional \$10 will be taken out of the Swinburne GST account.

Funding for Clubs / Club Expenditure

Funding & Grants

- All funding approvals adhere to Higher Education Student Services and Amenities Fee legislation and policies of SSAA and Swinburne.
- SSAA offers Base Funding to all Clubs, except political clubs and leadership groups, as well as a number of Grants that Clubs can apply for. Please see disclaimer at the bottom of this section. Base Funding & Grants are paid directly into the Club Account.
- Base Funding varies according to Club Size and whether the Club is a Sports Club.

Club sizing:

Club Size	Number of Club Members (Not including Associate Members)
Small	10 – 30
Medium	31 – 60
Large	61+

Funding Allocation:

	Non-Sport Clubs	Sport Clubs
Small	\$400	\$1500
Medium	\$600	\$3000
Large	\$800	\$6000

SSAA will conduct an annual review where re-registering Clubs will be graded based on compliance with SSAA Policy over the preceding year. For Clubs, which demonstrate a consistently high level of compliance, a compliance incentive of up to 30% of the normal Base Funding may be provided for the following year.

- Grants must be applied for by submitting a Grant Application Form via UniOne
- Different Grants are available for different purposes. See the Grant Types table for more information.
- Grant funding must only be spent for the purpose(s) laid out in the grant application.
- Grant funding may not be used for:
 - Events that do not comply with the Activity Approval Criteria (see SSAA Clubs Events Policy).
 - Expenses at Club Events that are used to promote candidate/s for any office or appointment.
 - Personal or individual transport costs.
 - Cash prizes.
 - Off-Campus Event Grant Funds cannot be used to purchase food or drink.

- Clubs may not receive more than \$3500 in Grant Funding per calendar year. Incentive and Capital Equipment Grants do not count towards this limit.
- Clubs will only receive Grants for the exact amount of planned expenditure. If actual expenditure ends up being less than what was expected and approved, excess Grant Funds will not be transferred to the Club Account.
- Due to legislative requirements, Grant Funding & Base Funding cannot be used to fund the purchase of alcohol.
- Grant applications will be assessed at Club Grant Application Assessment Meetings. These meetings are held in accordance with the SSAA Club Grants Committee Terms of Reference.
- After a Grant Application has been approved, at a Grant Application Assessment Meeting, it may take an additional three weeks before the Grant Funds can be used for expenditure. Clubs must plan their spending accordingly.
- Swinburne payment terms are 30 days after the end of the month in which an invoice is processed. Club Committees are responsible for ensuring that suppliers are made aware of these terms.

If a supplier cannot accept these payment terms, and an alternate supplier cannot reasonably be found, it may be possible to arrange for earlier payment in exceptional circumstances. Talk to SSAA for more information.

Base Funding:

- Base Funding is an annual payment based on the number of registered Club members. This grant covers the cost of a club's standard operational costs, administration and small activities.
- All clubs, except political clubs and leadership groups, are eligible for this grant – it is paid directly to the club account held with the SSAA upon finalization of club registration. Additional base funding can be applied for as membership grows. The last day to apply for additional base funding is the club registration cut-off date in semester 2.
- *Clubs who register after 1st July will receive 50% of annual base funding value according to membership.*

Example: If club is approved at the beginning of Semester 1, with a total of 10 Club Members, but grows in size by the beginning of Semester 2, to a total of 50 Club Members, the Club may request additional base funding before the cut-off date in semester 2. Associate members are not counted towards the size of a Club.

Please note: Due to requirements in the Higher Education Support Act 2003, SSAA cannot offer Base Funding or Grants to Political Clubs. Political Clubs are encouraged to raise their own funds through a Club Membership Fee and through fundraising at Club Events. Leadership groups are eligible to apply for funding through the Student Leadership and Volunteer Program (SLVP). Please see SLVP section for more information.
